

Examiner's Remarks re the Interview

Each of the withdrawn Claims have be rejoined inasmuch as they are part of the same invention and are not in their present form not properly restrictable. Non-elected claims 11-13 are not a properly a part of the claimed invention. These claims therefore are cancelled by an Examiner's Amendment (Cf. infra.) Claim 14 should have been restricted inasmuch as this claim is not compatible or has the same inventive concept from the claim from which it depends. Therefore along with said claims 11-13, Claim 14 will also be cancelled without prejudice against applicants filing a Divisional Application based of the substance of said claims 11-14.

Examiner's Amendment

In the Claims:

Claims 11-14 are cancelled.

The Title of the Invention has been amended to be –Method for Forming Surface Graft, Conductive Film and Metal Patterns--
